THE MIDNIGHT MENAGERIE

TAROT

LITE

A working *PRESS 2 DRAW* deck · 26 cards

penny-free.com

How It Works

This is **NOT** an app or a program. Just a simple (or not so simple) PDF. The card you draw is random because your finger made it so.

Press2Draw runs on our own Touch Entropy Matrix Engine technology. Not patented. Just exclusive – and you'll only find it here.

The ritual: cut the cards, then tap the card back to draw. Trace the card's sigil, lasso it, and paste it into your spread – your reading, in your own hand.

Draws are with replacement – the same card can come up twice, even in one spread. If it does, just draw again.

Every name in the Contents also opens a card directly – the deliberate path, for study. The draw is the chance path.

This Lite deck holds 26 of the Menagerie's 78 cards: ten Major Arcana, and the Ace, Three, Ten and Queen of every suit.

Reversed

Physician, Magus, mental disease, disgrace, disquiet.

Symbol

DRAW ANOTHER

THE HIGH PRIESTESS

— meaning · Waite, 1911 —

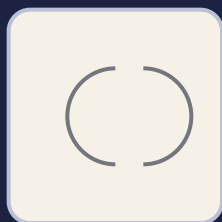

Upright

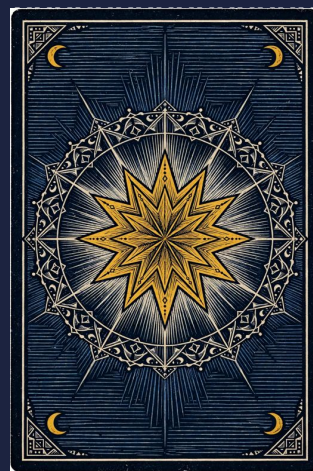

Secrets, mystery, the future as yet unrevealed; the woman who interests the Querent, if male; the Querent herself, if female; silence, tenacity; mystery, wisdom, science.

Reversed

Passion, moral or physical ardour, conceit, surface knowledge.

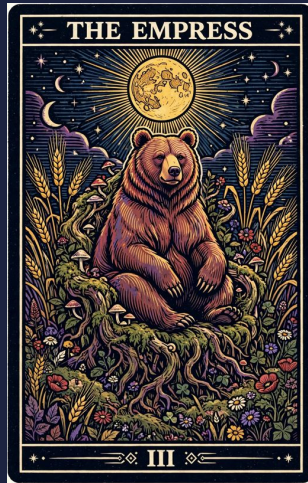

Symbol

DRAW ANOTHER

THE EMPRESS

— meaning · Waite, 1911 —

Upright

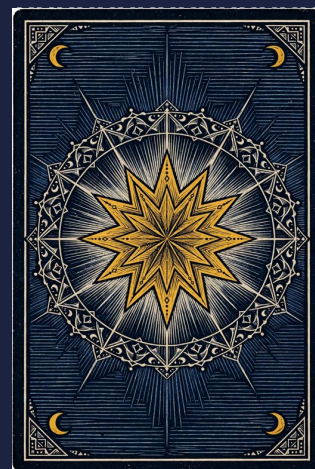

Fruitfulness, action, initiative, length of days; the unknown, clandestine; also difficulty, doubt, ignorance.

Reversed

Light, truth, the unravelling of involved matters, public rejoicings; according to another reading, vacillation.

Symbol

THE EMPEROR

— meaning · Waite, 1911 —

Upright

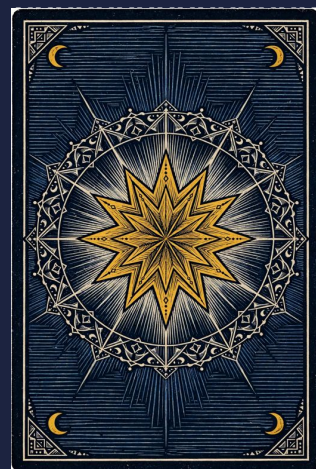

Stability, power, protection, realization; a great person; aid, reason, conviction; also authority and will.

Reversed

Benevolence, compassion, credit; also confusion to enemies, obstruction, immaturity.

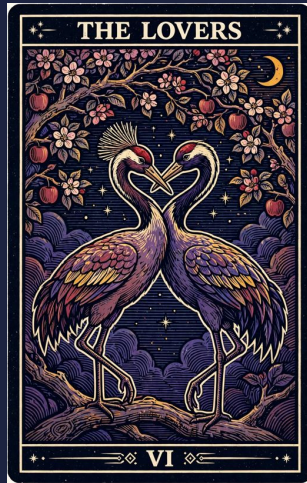

Symbol

DRAW ANOTHER

THE LOVERS

— meaning · Waite, 1911 —

Upright

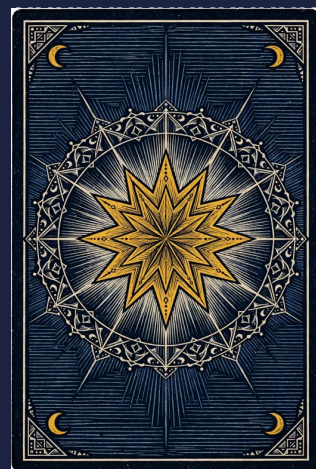

Attraction, love, beauty, trials overcome.

Reversed

Failure, foolish designs. Another account speaks of marriage frustrated and contrariedades of all kinds.

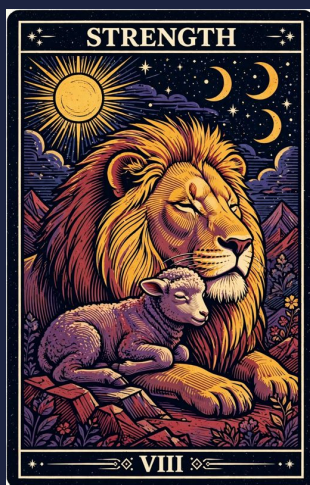

Symbol

DRAW ANOTHER

STRENGTH

— meaning · Waite, 1911 —

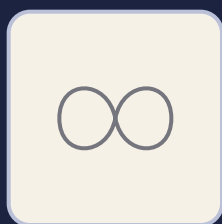

Upright

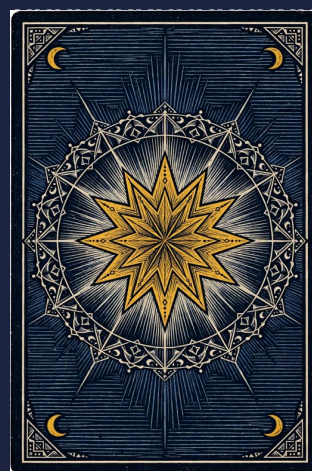

Power, energy, action, courage, magnanimity; also complete success and honours.

Reversed

Despotism, abuse of power, weakness, discord, sometimes even disgrace.

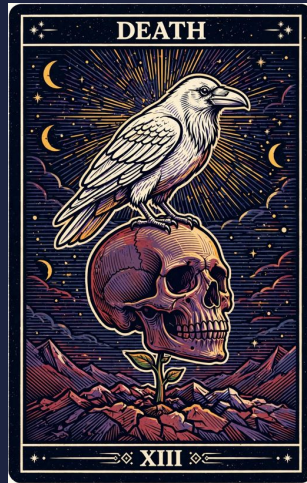

Symbol

THREE OF WANDS

— meaning · Waite, 1911 —

Upright

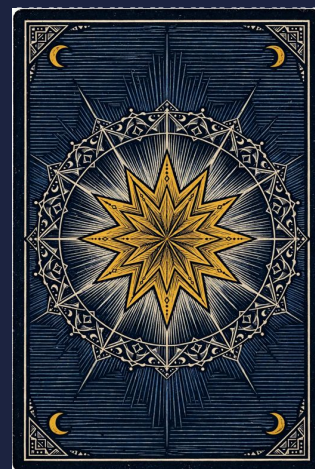

He symbolizes established strength, enterprise, effort, trade, commerce, discovery; those are his ships, bearing his merchandise, which are sailing over the sea. The card also signifies able co-operation in business, as if the successful merchant prince were looking from his side towards yours with a view to help you.

Reversed

The end of troubles, suspension or cessation of adversity, toil and disappointment.

TEN OF WANDS

— meaning · Waite, 1911 —

Upright

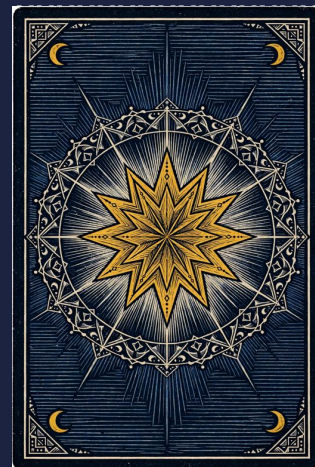

A card of many significances, and some of the readings cannot be harmonized. I set aside that which connects it with honour and good faith. The chief meaning is oppression simply, but it is also fortune, gain, any kind of success, and then it is the oppression of these things. It is also a card of false-seeming, disguise, perfidy. The place which the figure is approaching may suffer from the rods that he carries. Success is stultified if the Nine of Swords follows, and if it is a question of a lawsuit, there will be certain loss.

Reversed

Contrarieties, difficulties, intrigues, and their analogies.

QUEEN OF WANDS

— meaning · Waite, 1911 —

Upright

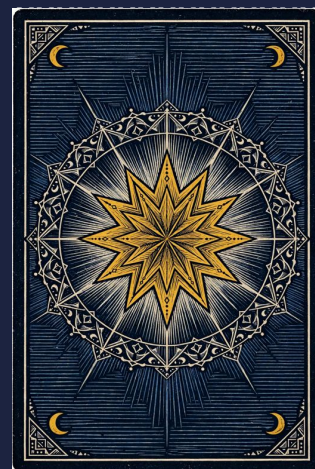

A dark woman, countrywoman, friendly, chaste, loving, honourable. If the card beside her signifies a man, she is well disposed towards him; if a woman, she is interested in the Querent. Also, love of money, or a certain success in business.

Reversed

Good, economical, obliging, serviceable. Signifies also—but in certain positions and in the neighbourhood of other cards tending in such directions—opposition, jealousy, even deceit and infidelity.

QUEEN OF CUPS

— meaning · Waite, 1911 —

Upright

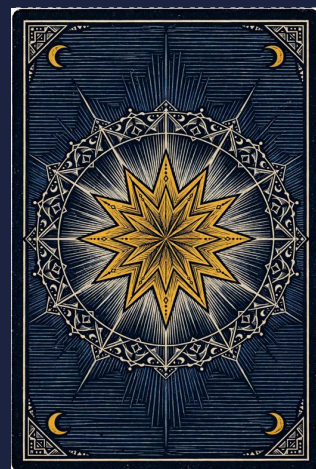

Good, fair woman; honest, devoted woman, who will do service to the Querent; loving intelligence, and hence the gift of vision; success, happiness, pleasure; also wisdom, virtue; a perfect spouse and a good mother.

ACE OF SWORDS

— meaning · Waite, 1911 —

Upright

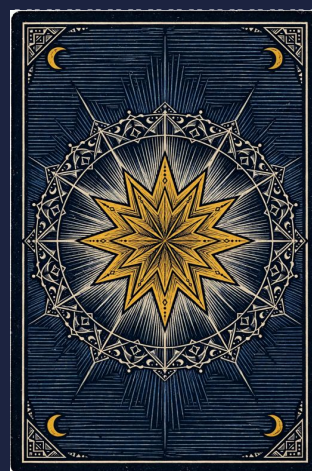

Triumph, the excessive degree in everything, conquest, triumph of force. It is a card of great force, in love as well as in hatred. The crown may carry a much higher significance than comes usually within the sphere of fortune-telling.

Reversed

The same, but the results are disastrous; another account says—conception, childbirth, augmentation, multiplicity.

Symbol

— meaning · Waite, 1911 —

Upright

Perfect contentment, felicity, ecstasy; also speedy intelligence; gold.

Reversed

The evil side of wealth, bad intelligence; also great riches. In any case it shews prosperity, comfortable material conditions, but whether these are of advantage to the possessor will depend on whether the card is reversed or not. Such are the intimations of the Lesser Arcana in respect of divinatory art, the veridic nature of which seems to depend on an alternative that it may be serviceable to express briefly. The records of the art are ex hypothesi the records of findings in the past based upon experience; as such, they are a guide to memory, and those who can master the elements may—still

ACE OF PENTACLES

— meaning · Waite, 1911 —

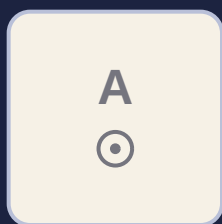

Upright

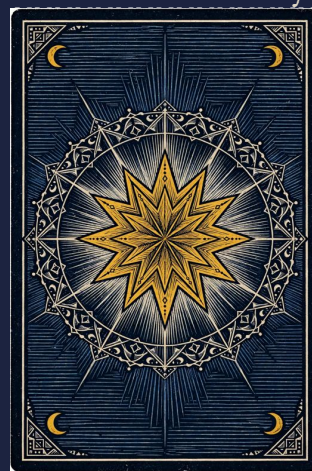

Perfect contentment, felicity, ecstasy; also speedy intelligence; gold.

Reversed

The evil side of wealth, bad intelligence; also great riches. In any case it shews prosperity, comfortable material conditions, but whether these are of advantage to the possessor will depend on whether the card is reversed or not. Such are the intimations of the Lesser Arcana in respect of divinatory art, the veridic nature of which seems to depend on an alternative that it may be serviceable to express briefly. The records of the art are ex hypothesi the records of findings in the past based upon experience; as such, they are a guide to memory, and those who can master the elements may—still

Your layout · help & how-to

Invent the layout; the engine only handles the draw. On a layout page, draw a box for each position and write what the position means – “the obstacle,” “what the week brings,” “what to leave behind.”

Then cut the cards and draw once per position. Trace each card’s sigil, lasso it, and paste it into its box.

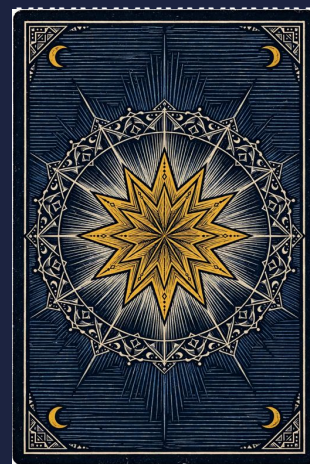

Three blank layout pages follow. A layout you love is worth keeping – redraw it in a Notes page and it is yours for every reading after.
